

News From Our Superintendent

Finishing the First Quarter Strong at West Central

The first quarter of the 2019-2020 school year came and went. It's been a great 9 weeks. There are countless successes I could chronicle here. However, I'll give you the highlights as I see them from the Superintendent's seat.

While West Central's enrollment was down compared to last year, it was up slightly from our projections. On count day we had 735 students enrolled K-12 including a large kindergarten class. We hope this indicates more young families are moving here and staying here because our county is safe and affordable. We continue to host the Medaryville Nursery School and Head Start on our campus.

Through collaborative efforts we've been able to integrate our future Trojans into our school community to compensate for Indiana not providing for preschool funding.

Despite our small size, West Central continues to offer big-time opportunities for students, including advance manufacturing, welding, CNA certification, band, choir, art, a wide array of sports, plus traditional coursework in core subjects. There is something for everyone. Our Fall Sports have made some steps forward, including a strong start to the football season which tapered off after a plague of injuries. Our marching band continues to grow and impress at halftime and contests. Our winter sports are gearing up for great seasons, too.

On the facilities front, we secured a \$100,000 matching grant for safety upgrades. We are excited to have qualified for such a significant sum, which will free up local money for other improvements. While it took some time, our new Information System is in full swing. Additionally, our investments in instructional technology are reaping fruit, as evidenced by our successful eLearning day on September 25th.

This fall we redoubled our efforts to ensure West Central is a place where learning is first, and we have seen our students take heart and apply themselves with a new vigor. This will play out in test scores now, but more importantly, we want it to play out in our students' long-term success in life after school. We want to thank the community for its continued support as we make West Central the best school it can be!

Sincerely,

Dan Zylstra, Superintendent

Notes from the Guidance Department

Mark your calendar for the following upcoming events:

Seniors and Senior Parents:

The FAFSA opened on October 1 and must be submitted by April 15 in order to receive state aid.

Helpful websites:

<https://studentaid.ed.gov/sa/fafsa>

https://isfaa.org/docs/toc_students.html

<https://www.investedindiana.org/>

Attention All 8th Grade Students and Parents!!!

You are encouraged to attend:

What: Freshman Orientation to High School

When: Monday, March 9, 2010

Time: 6:30 p.m.

Place: High School Cafeteria

Topics to be addressed:

- Diploma Types and Requirements
- Local Graduation Requirements
- Graduation Pathways Requirements
- Scheduling for High School
- Four Year Planning for High School
- College and Career Planning

students in October and November on the scheduling process. Parents and students are reminded to contact the guidance office/student support services if they have questions concerning which classes to take, what is required for high school graduation, what is required for college, and what coursework is needed for each diploma type. Please call and make an appointment if you would like to meet with Mrs. Kennedy to talk about your child's credits, schedule or future plans.

Minimum high school graduation requirements (Core 40) are: 40 Credits and passing the ISTEP for both Mathematics and Language Arts.

- 8 Credits of English
- 6 Credits of Math
- 6 Credits of Science
- 1 Credit of Health
- 2 Credit of Physical Education
- 1 Credit of Preparing for College/Career
- 6 Credits of Social Studies (1 Gov't, 2 U.S. History, & 2 World History/Geography, Economics)
- 10 Elective Credits

In addition, students must be enrolled in a Math or Quantitative Reasoning course each year of high school. **STUDENTS in grades 10-12 who have not passed ISTEP may opt to pursue a Graduation Pathway in lieu of passing ISTEP. ALL students in the class of 2023 and beyond MUST complete a Graduation Pathway.**

College requirements are increasing. Each college sets its own admissions requirements. State supported colleges are not required to accept Indiana graduates.

Some colleges have standard requirements for all students to meet in order to be admitted to the college. Other colleges have each department within the college establish their respective requirements. Purdue University has different admissions requirements for each department. Two years of a foreign language is a requirement for many four-year colleges.

High Grades + High SAT/ACT Scores = More \$\$\$ in scholarships, grants and financial aid!! Students need to be encouraged to take high school seriously from the beginning of 9th grade and beyond.

College Costs Estimator is a fairly new tool for students and parents. Check it out at:

<http://www.indianacollegecosts.org/calculate-your-college-costs>

Pre-K	3 Hepatitis B 4 PTaP (Diphtheria, Tetanus, & Pertussis) 3 Polio 1 Varicella (Chickenpox) 1MMR (Measles, Mumps & Rubella)	Annual influenza 2 Hepatitis A
K-5th Grade	3Hepatitis B 5 DTaP 4 Polio 2 Varicella 2 MMR 2 Hepatitis A	Annual influenza
6th—8th Grade	3Hepatitis B 5 DTaP 4 Polio 2 Varicella 2 MMR 2 Hepatitis A 1 MCV4 (Meningococcal) 1 Tdap (Tetanus, Diphtheria & Pertussis)	Annual influenza 2/3 HPV (Human papillomavirus)
9th-11th Grade	3Hepatitis B 5 DTaP 4 Polio 2 Varicella 2 MMR 2 Hepatitis A 1 Tdap	Annual influenza 2 Hepatitis A 2/3 HPV
12th Grade	3Hepatitis B 5 DTaP 4 Polio 2 Varicella 2 MMR 2 Hepatitis A 1 Tdap	Annual influenza 2/3 HPV 2 Men B (Meningococcal)

HepB: The minimum age for the 3rd dose of Hepatitis B is 24 weeks of age.**DTaP:** 4 doses of DTaP/DTP/DT are acceptable if 4th dose was administered on or after child's 4th birthday.

Polio*: 3 doses of Polio are acceptable for all grade levels if the 3rd dose was given on or after the 4th birthday and at least 6 months after the previous dose.

*For students in grades K-10, the final dose must be administered on or after the 4th birthday and be administered at least 6 months after the previous dose.

Varicella: Physician documentation of disease history, including month and year, is proof of immunity for children entering preschool through 12th grade. Parent report of disease history is not acceptable.

Tdap: There is no minimum interval from the last Td dose.

Eric J. Holcomb
Governor

Kristina Box, MD, FACOG
State Health Commissioner

The Indiana State Department of Health believes that protecting Indiana's citizens from vaccine-preventable diseases is one of the most important roles of public health. Indiana is experiencing an increase in hepatitis A cases. To ensure that all of Indiana's youth are properly protected against this disease, new school immunization requirements are being implemented for fall 2020. All students in kindergarten through 12th grade who attend an accredited school in Indiana will be required to have two doses of hepatitis A vaccine for the 2020-21 school year.

Records from the Indiana Children and Hoosiers Immunization Registry Program (CHIRP) indicate that your child has not completed the two-dose hepatitis A vaccine series. Hepatitis A vaccine is recommended by the Advisory Committee of Immunization Practices for all ages and is safe and effective at preventing hepatitis A, a highly contagious liver infection. The Hepatitis A vaccine series is a two dose series that requires six months between doses. Please contact your healthcare provider to discuss options for vaccination and if your child is eligible to receive publicly-funded vaccine.

Please make an appointment with your healthcare provider to complete the series and discuss any other adolescent vaccines that might be needed to protect your child from vaccine-preventable diseases and/or cancer, including human papillomavirus (HPV) and meningitis B.

If you have questions about your child's immunization history, MyVaxIndiana is an online tool that allows individuals to access their immunization records after receiving a secure personal information number (PIN) from their healthcare providers. This tool enables individuals to view, print or electronically stores their records since 2012. Please ask your healthcare provider how to access your child's record.

Yours in health,

The Indiana Immunization Program

In partnership with local leaders, we are in the beginning stages of creating a West Central Comfort Closet. Our goal is to provide essential items and basic non-perishable food items to students and families within the West Central School Corporation.

We are hoping to get the WCCC up and running in early November, with the possibility of providing services to students and families by the end of the month.

In order to begin selecting those students who could benefit from these services, we would initially need help in identifying students in need. A Google Doc will be shared with all staff where names of High School/Middle School/Elementary School students can be provided. Our hope is to target 30 students initially with the goal of reaching as many as possible once the Comfort Closet is fully funded and stocked. Students receiving items will remain anonymous and all names submitted should remain confidential.

The Comfort Closet will be collecting various items as well as accepting donations. A list will be provided for all items that will be accepted. All donations can be given to Kenley Newbauer, Brad Odom, or Lindsay Hopkins. Donations may also be dropped off in the high school, middle school, or elementary offices.

Please contact Kenley Newbauer (ext 1510), Brad Odom (ext 1208), or Lindsay Hopkins (ext 1036) with any questions.

Thank you for your support and generosity on behalf of our students.

West Central Comfort Closet

In a compassionate effort to ensure that all West Central students have access to basic needs, the corporation will be equipped with a “Comfort Closet.” This service will provide students with items that may not be available to them outside of school, and promote a culture of giving in our community and among our students. This service will allow students to anonymously get what they need to feel their best and be successful.

The Comfort Closet will be stocked with donated items and completely funded through contributions. 100% of all donations will benefit the students at West Central.

Hygiene :

- Shampoo
- Conditioner
- Deodorant

The Elementary PTC is proud to announce that the playground project is complete, and the children are enjoying it! In the spring, we received grants from Pulaski County Community Foundation, Carroll White REMC Round UP, Jasper County REMC Round Up, and Gutwein Popcorn/Harvey Gutwein Grant. We are grateful to these entities for supporting our school. The PTC also contributed monies towards the playground equipment that was collected from past fundraisers (like the NO Hassle Fundraiser). Thank you to those who volunteered to install border, too. This playground expansion could not have been done without each contribution. We sincerely thank each of you for your donation whether that be time or money. We look forward to years of enjoyment by the children at recess!

News from the Student Council

On Monday November 12, at 11:00 A.M. the West Central Student Council will be hosting the 18 Annual Veterans Day Program. We invite everyone to come out and honor our veterans, and remember their sacrifices. If you are able to attend, please notify at 219-567-9119 ext. 1523. Please enter thru door 15.

As we approach the end of the calendar year, please be reminded of the opportunity to donate to the West Central Schools Educational Foundation.

The foundation is a tax-exempt charitable organization under Section 501C(3) of the Internal Revenue Code and incorporated under Indiana Law as a not-for-profit corporation. Contributions are deductible for income, estate and gift tax purposes.

The purpose of the foundation is to provide scholarships for the youth of the West Central School Corporation. A secondary purpose is to promote educational excellence by raising funds for an endowment through which grants can be awarded for the purpose of strengthening educational programs.

If you would like to become a donor, please complete the form below. You may stop by the Central Office if you are interested in establishing an Advised Endowment Fund Agreement.

Our Gym/Swim program is ready to begin! We are excited to get back into the water with the elementary students. During this time students will be working on stroke development, swimming endurance and important life saving skills. Before jumping in the water each class will watch a quick 5 minute video on basic water and sun knowledge. It's a great learning experience for our students and we encourage parents to come and watch! Please remind students to please bring their own towels and brushes, swim caps and bathing suits. Girls are reminded to wear a suit that covers their mid-section. No bikini suits. If students are missing their swim caps more will be provided on their first swim day. Any caps lost after that first day will need to be replaced by students for a \$2.00 fee. Classes begin in November.

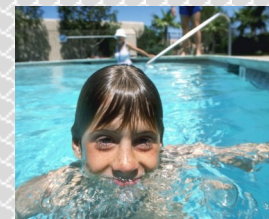

The pool area has several lifeguard positions open. Any student (15 or over) or adult interested in taking our lifeguarding or CPR course is welcome. Classes will begin in January. Please contact Elyse Williams for more details at [219-567-9741](tel:219-567-9741) [ext.1019](tel:219-567-9741)

Upcoming Title I Event

Donuts with Dad

Friday, December 6, 2019 at 7:15 A.M.

Students are allowed to invite one adult male to join them for a free donut and drink in the school cafeteria. There will be activities in the gym as well as a free book for all elementary students. Due to the space and time constraint, **this is for ELEMENTARY students and their guest only.**

Title I is a federally funded program that is designed to generate high levels of achievement in core academic areas for all students, especially those who are not demonstrating proficiency in meeting the State's achievement standards. A portion of these government funds must be set aside as well for family involvement activities! Please take advantage of the opportunities to be involved with the school programs that are designed to bring teachers, parents and students together!

The Title I department sends home all its invitations to our program on purple paper. Make sure to look through your child's book bag for these important announcements. Invitations and announcements about programs are usually sent home within three weeks of the event.

We hope to see you at our events!

West Central Title I Department

Miranda Thompson

Banquet

On May 20th we held our annual banquet. Everyone received their awards and enjoyed the delicious meal.

State convention

On June 17-20 we had 7 members attend State Convention in Lafayette. At State Convention you get to meet people from other FFA Chapters . There is a dance and a fun night with bouncy houses , corn hole, and many other activities. We had two members, Jenna Cords and Ryan Lynch, receive their Hoosier Degrees . Jenna also competed in Grain Production Entrepreneurship proficiency.

The chapter had a float in the Fall Feast parade Saturday September 21st this year. The FFA chapter had four people work on the float to get the materials ready for the float of Saturday. There was a lot of members on the float. Everyone had a blast being on the float.

LDW and Soar

LDW was Sep. 6th-8th. LDW is only for officers. Four officers went and learned leadership skills and learned some things that they could improve or their chapter.

On October 11-13 the West Central FFA chapter had four members go to Soar. Soar is a camp that FFA members in 7th to 10th grade can attend. They can learn more about SAE and CDE and work ethic. This year two officers went and two members went. Alex and Collin went as campers. Ryan and Jenna went as

Breakfast

On October 26, 2019 the 8th annual Farmer's Breakfast was held in the school cafeteria. FFA members served up a delicious meal of biscuits and gravy, hash browns, sausage, eggs, fruits, and drink. The proceeds from the Farmer's Breakfast went to help the FFA Chapter.

September we had our chapter Kickoff. The officers had some fun learning activities for them to learn leadership skills and communication skills.

National Convention and Expo

The West Central FFA officers went to Indy October 30 through November 2. They attended sessions and workshops. They also attended a hypnotist show and Old Dominion concert. Everyone had a really great time at National Convention & Expo.

CHRISTMAS CARDS & ORNAMENTS

The Life Skills class will be selling Christmas Cards and Ornaments the months of November and December. Stop by the Life Skills room to get your cards and/or your ornaments.

What is 21st Century Scholars?

The 21st Century Scholars program was established in 1990 to increase students' aspirations for and access to higher education. The Scholars Program provides **7th and 8th grade income-eligible** students the opportunity to earn a scholarship that covers **up to four years of tuition** and regularly assessed fees. 21st Century Scholars supports eligible students and parents with the **tools** they need to prepare for college, graduate on time and begin a successful career. The scholarship is awarded on an **annual** basis. Scholars are provided **resources and assistance** to help them plan and prepare for college and pay for expenses not covered by their scholarship. The scholarship **does not cover the cost of books or room and board**.

Enroll online before June 30th of 8th grade at [Scholars.IN.gov](https://www.scholars.in.gov)

Visit [Scholars.IN.gov/eligiblecolleges](https://www.scholars.in.gov/eligiblecolleges) for a list of approved colleges.

Everyday Preventive Actions That Can Help Fight Germs, Like Flu

FIGHT FLU

CDC recommends a three-step approach to fighting the flu.

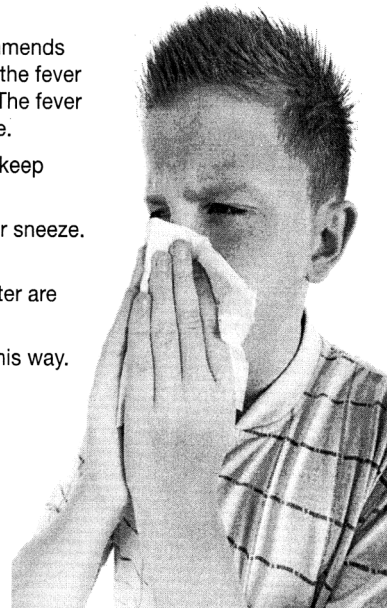

CDC recommends a three-step approach to fighting influenza (flu). The first and most important step is to get a flu vaccination each year. But if you get the flu, there are prescription antiviral drugs that can treat your illness. Early treatment is especially important for the elderly, the very young, people with certain chronic health conditions, and pregnant women. Finally, everyday preventive actions may slow the spread of germs that cause respiratory (nose, throat, and lungs) illnesses, like flu. This flyer contains information about everyday preventive actions.

How does the flu spread?

Flu viruses are thought to spread mainly from person to person through droplets made when people with flu cough, sneeze, or talk. Flu viruses also may spread when people touch something with flu virus on it and then touch their mouth, eyes, or nose. Many other viruses spread these ways too. People infected with flu may be able to infect others beginning 1 day before symptoms develop and up to 5-7 days after becoming sick. That means you may be able to spread the flu to someone else before you know you are sick as well as while you are sick. Young children, those who are severely ill, and those who have severely weakened immune systems may be able to infect others for longer than 5-7 days.

What are everyday preventive actions?

- Try to avoid close contact with sick people.
- If you or your child gets sick with flu-like illness, CDC recommends that you (or your child) stay home for at least 24 hours after the fever is gone except to get medical care or for other necessities. The fever should be gone without the use of a fever-reducing medicine.
- While sick, limit contact with others as much as possible to keep from infecting them.
- Cover your nose and mouth with a tissue when you cough or sneeze. Throw the tissue in the trash after you use it.
- Wash your hands often with soap and water. If soap and water are not available, use an alcohol-based hand rub.
- Avoid touching your eyes, nose and mouth. Germs spread this way.
- Clean and disinfect surfaces and objects that may be contaminated with germs like the flu.
- If an outbreak of flu or another illness occurs, follow public health advice. This may include information about how to increase distance between people and other measures.

For more information, visit:
www.cdc.gov/flu

or call 1-800-CDC-INFO

Thank you!!!**

Breakfast Available to all student customers

Do you know that West Central offers **the best** breakfast selection compared to the surrounding choices that our customers have?

We offer *over* 10 choices of grab and go style combinations in addition to a hot breakfast choice every day.

Students can mix and match different items that make up a great breakfast selection to start their day.

Students that eat breakfast are more likely to do better in the classroom and have a better day.

Check out our breakfast menu on the website and make sure you are starting your day with us.

We need to prepare for the winter season that is fast approaching. We realize that any change in the normal school schedule is an inconvenience and in some cases a challenge for families. Here are a few suggestions to consider when making adjustments at home.

- Check the website! Listen to the radio and/or watch the TV for schedule changes. Stations are listed below.
- Notices are given in advance as much as possible.
- Have prior arrangements made for child care in the event of early dismissals and delays. Small children should not be left alone at any time, especially during bad weather.
