

Dear parent/Guardian:

For the 2020-2021 school year, school meals are being provided to students enrolled in West Central and now, BEGINNING DECEMBER 2 ANYONE 18 AND UNDER MAY HAVE FREE MEALS and for now we are asking that the parent/guardian request these meals in advance.

We must have your permission to pick these meals up and we can do that in the way of an email response.

Please email jmurray@wcsc.k12.in.us and provide the name of each child, the school you will be picking meals up from (High or Elementary), and the total number of meals that you will be picking up.
