Dear Student Drivers and Parents of Student Drivers:

To further insure the safety of all students at West Central High School, our school safety program is supporting the requirements that all drivers register their vehicles with the school. Please read the "Driving Expectations" below and that are already outlined in your Student Handbook. Please return the completed driver information sheet to the high school office as soon as possible so you may be issued a parking permit tag.

Thank you for supporting our school wide safety program.

Angie Radtke
Principal

Driving Expectations

1. *Once a student has parked in the student parking area, the car cannot be moved until after the student has completed the school day, unless an emergency arises which has been cleared through the office of the principal.*
2. *There is no loitering in cars or in the parking area.*
3. *Traffic violations of any type, whether directly connected with transportation to school or after school functions, may result in the suspension of a student's privilege to drive to school.*
4. *No parking is permitted in the student walkways.*
5. *We will need a copy of your driver's license.*
6. *Driving tags are to be displayed in the proper location at all times when the vehicle is parked on school grounds. Driving tags are the property of West Central School Corporation.*
7. *ALL student drivers MUST sign the West Central Schools Mandatory Drug Testing Program consent form in order to be allowed to drive to school.*

***If you do NOT sign the consent form, you will
NOT BE ALLOWED TO DRIVE TO SCHOOL.***
